SOLaaS
GTS — POWERED BY ORIGEN TECH

Origen Tech offers SAP GTS for international trade management in a Solution-as-a-Service (SOLaaS) model that includes: **SAP License(s), Implementation, Infrastructure, Maintenance, and Post-implementation Support.**

All of this is included under a single solution during the contract's duration in a subscription model (typically 36 months).

Origen Tech is an official "service partner" of SAP, which allows us to:

▶ Have a unique relationship with SAP to address gaps that are not in the development plan for SAP in LATAM.

▶ Stay updated on SAP's best practices and innovations, meeting the needs of all Latin American countries.

▶ Enhance the functionality of SAP solutions, specifically SAP GTS, including its lifecycle and maintenance.
