## SUCCESS IN MAY

### New Clients and Goals Achieved

**W**e ended May with two new customers in our portfolio with the sale of **Rise with SAP private edition**. With this achievement, we reached the sales target for SAP Brazil solutions for Q1 + Q2!

Welcome, Royal FiC and Copecar!

These new clients came to us through the valuable partnership with Focus IT consultancy, established last year.

We have been working side by side over the last few months, and these results reflect the strength and synergy of this collaboration.

We will continue to work together to win new business throughout 2024.

Congratulations Brazil Team for your tireless work! Let's keep going!

We remain firm in our mission to offer the best solutions and services to our customers, always with dedication and excellence.
